The Art of Preparation

"The Art of Preparation", located in Barrie, Ontario offers in-home and online staging and redesign services. You can be rest assured, we are professionals providing the highest industry standards and our services are fully insured. Helene Jattan, owner, is an ISRP™ trained professional and has over 25 years of combined design and business experience to help you maximize your home's potential. My goal is to help you turn your home into a product that generates the maximum return, if you plan on selling or renting.

Helene has been awarded "Stager of the Month" by RESA in June 2009 and also a proud active member of the Greater Barrie Chamber of Commerce.

What sets us apart is that we have a solution for every budget. We highly recommended our in-home professional services to get the highest return however if you are not able to do so, you can order the D.I.Y. reports we have available online starting at just \$19.99. A home consultation report that you will complete is available for \$49.99.
